Our Little
of

ALMA MATER

Beneath the glowing sun and nights
with glistening stars.
There stands a place that ere will
be in our memory
The school where we lived and laughed
and learned — our happiest years,
To McCarty High, our Alma Mater, All
praises Be.
Then comes to mind the thoughts of
things we used to do,
Our football games, our stunt nights
and our annual plays.
Tradition cherished to each class
and customs tried and true,
All these and many others remind of
youthful days.

Dedicated to . . .
Mary Frances Kuhn

It is with great pride and affection that we, the staff of The 1964 Santa Lucian, dedicate this yearbook to a woman who has dedicated herself and her time for the past eighteen years to the students of Dan McCarty.

She is a person who is recognized as having successfully combined the ability to inspire each to develope his potential along with a genuine interest in her students.

A person who has worked harder than hard to prepare each Senior Class for that walk up the aisle and across the stage to the tune of Pomp and Circumstance

One who has given of herself to promote better qualities among the girls of McCarty by organizing every girls service club ever to exist at Dan McCarty High.

It is with much pleasure that we dedicate our hard work to Mary Frances Kuhn, in appreciation for all the hard and diligent work she has given the students and faculty of Dan McCarty High School.

Class History

CLASS PETS
Francine Owbny Brian Long

Mr. Sample was present to act as our sponsor. The school spirit seemed to thrive among us, as we quickly became a part of the pep rallies and games . . . football season had finally arrived! The "Fighting Eagles" felt our presence through sophomore football delegates: Chuck Bowen, Roy Shank, Paul Rubin, Jim DeFonzo, and Dennis Barton. To help cheer on the JV football team were our "B" squad cheerleaders: Suzanne White, Gwenda Stanley, Barbara Holmes, Sharon Callahan, and Suzan Lukowski.

After all our hard work, we won the title "Most Adherent to Theme", for our homecoming float, "Four and Twenty Indians Baked in a Pie". Our first Homecoming game was an exciting one. How proud we were of all the green and white mums that were sported by McCarty fans.

As soon as one school event was over, another one appeared to take it's place . . .

"As dew to the blossom, and bud to the bee, as the scent to the rose, are those memories to me."—Amelia B. Welby.

Though it seems those first few days at Dan McCarty are a part of a misty story of long ago, there are certain events, unique to each one of us, that will remain clearly in our memories.

Left to the mercies of the upperclassmen, our class began the primer pages of the story of the class of '64. With little apprehensions, yet much enthusiasm, we took our first steps on the campus of the "Green and White," only to be forced to carry mountains of books by the upperclassmen, which is still one of the traditional duties of a lowly rat. Needing leaders, we elected our officers: Ralph Wilson, President; Don Riordon, Vice-President; Paul Rubin, Treasurer; and Diane Jones, Secretary. Speaking for us in the Student Council were: Gwenda Stanley, Scott Thompson, Dennie Ripley, and Suzanne White. To help us conduct our meeting

Stunt Night was the first opportunity for us to show the upperclassmen what we could produce with our combined talents of humor and originality. We emerged with a hilarious entry, "Hazel", which was portrayed by one of our class comediennes, Sally Sample.

Basketball season soon followed Stunt Night; with our boys on the JV's demonstrated their skill at a very quick moving game. We were never disappointed at a game, because our boys kept that consistent, driving, motion.

As winter died away, we focused our attention to the lively operetta, "Showboat", that was produced by the Glee Club. Another production, "Heddin for a Weddin", was the mountain-folk farce acted out by members of the Beta Club.

For those who were not as theatrically inclined, the Science Fair offered an opportunity for creation. Required or not, the sophomores

worked on and set up their displays with great enthusiasm.

Dressed in Japanese costumes, and coolie hats, sophomores, while serving in the dimly lit gym, added to the Oriental flavor of the Prom.

At Class Day, twenty sophomore girls, chosen by academic achievements, participated in the final gesture of the sophomore class, by forming the solemn and sad Daisy Chain, which was presented to the Seniors. This ends our first year at Dan McCarty, only to look forward to many of the same events next year, not as sophomores, but rather as Juniors.

We entered our middle year with enthusiasm and a will to work. As juniors, we were now ready to show the Rats just how superior we were. The officers elected to lead us were: Turner Coats, President; Clyde Russell, Vice-President; Diane Jones, Secretary; and Suzanne White, Treasurer. Acting as our "voice" in the school government were Lane Brown, Brian Long, Vicki McConkey, Ralph Wilson, and Dennie Ripley, who was also elected Vice-Presi-

ful experience for everyone involved.

Right after Thanksgiving, a number of juniors girls in S.L.C. and Keyettes battled it out on the gridiron, in the third annual Powderpuff Football game, while daring junior boys in Interact and Key Club acted as cheerleaders . . remember all those beauties?

Stunt Night came around soon . . . all our sweat and toil were rewarded by success, as could be told by our treasury. Our stunt, "Mother Goose Rhymes", won best stunt the second night in the theme "Fables and Fairy Tales". The audience waited with curiosity as our Mistresses of Ceremonies, Marion French and Corliss Mullins introduced each stunt. Everyone enjoyed it!

At Christmas the unsurpassable class of '64, decorating with a life-size Santa Claus, on the stage, held the Christmas Dance.

During the holidays, our five boys on the basketball team helped to win the Christmas tournament in Vero Beach.

dent of the Student Council.

Football season started in no time, and our presence was felt as sixteen juniors played their best for the Eagles. It was a well known fact that the juniors yelled the loudest at the pep rallies!! Well, why not—with Sharon Callahan, Betty Evans, and Suzanne White leading us, we couldn't help it. Representing us on "B" squad yellers were Corky Mullins and Gwenda Stanley. The honor of being All-Conference Center (second team) was given to our own Bobby Hiple.

Our float in the Homecoming parade was entitled "Eagle at the Top of the Stairs". Juniors made a good showing at the Homecoming Game in spirit and play as junior Nathan Martin was awarded "Most Valuable Player". The Homecoming Dance was a big success mainly because of the help of Coach Bretherick, our able class sponsor.

We became aware of our Guatemalan friends through "Operation Amigo". The students stayed in many of our homes, providing a wonder-

How long we had waited and how proud we were of our new class rings! We showed them to everyone—especially the sophomores.

After burning the midnight oil studying for semesters, we soon found it was not in vain as nineteen of our classmates were initiated into the National Honor Society, the largest initiation in the history of the Society.

During the Sandy Shoes Festival, ten of our boys were seen sporting beards while many of us were dressed in Western garb on Sandy Shoes Days.

The Glee Club, with many juniors singing along gave a beautiful presentation of "Oklahoma". For the first time the Girl's Chorus went to State Contest in Miami Beach.

Seven of the prettiest, best dressed girls in D.M.H.S. were initiated into Letterwomen. Oh, what fun!

After weeks of practice sessions, the juniors were ready for the spring sports: track, golf, tennis, and baseball were offered for those

with their feet on the ground, while swimming appealed to our water babies.

Delegated to attend Girl's State were Pat Kennon and Diana Young, and to Boy's State were Turner Coats, Bobby Hiple, Dennie Ripley, Terry Strout, and Ralph Wilson.

The big event of the year was finally upon us and we set to work with fervor. We debated on the themes for many days and finally agreed upon "Cinderella". We wanted to make the Prom one to remember, and it was! Who could forget the fairy-tale like castle and sparkling moat with the drawbridge over it? This was the last prom enjoyed by young people both in and out of school, and it was the last big school event before we became known as the Upperclassmen, SENIORS!!

At commencement, the guests were ushered by junior honor students, but as summer was upon us, we forgot that we only had one more year left before we, too, would be marching down the aisle to the tune of Pomp and Circumstance.

ning. As we cheered from the center section, cheerleaders Gwenda Stanley, and co-captains Betty Evans and Suzanne White, led the student body in the old Eagle cheers. From the cheerleaders' Eagle Butchershop, to the infectious Seacrest pep rally, the entire school carried the team on waves of cheers. The co-captains of the Mighty Eagles were Marvin Kelly and Roy Shank. With the team, composed of twenty-two opponetns. After much diligence and hard work, we entered our float "As the Eagles Go Rolling Along", and won the title, "Most Original", in the Homecoming Parade. Margo Judd, with inschool attendant, Diane Jones, reigned as Homecoming Queen.

Stunt Night's theme for the year was "Great Books Gone Mad." Not only the books, also the audience went mad as they loudly applauded our comic skit, "Tarzan Gone Ape", which tied for the *Best* Second-Night Act. Corky Mullins and Marion French proved that beauties have brains, by winning *Best* In-Between Act

Putting the summer sights and sounds behind, we began our Senior year at Dan McCarty. We could still feel the presence of the ghostly images of the previous class. It was all together too early to think of ourselves also becoming shadows of the past. Our elected officers were: Turner Coats, President; Ralph Wilson, Vice-President; Pat Rivers, Treasurer; and Diane Jones, Secretary. Under the joint leadership of our class proceeded with much enthusiasm. The senior representatives in the Student Council were Lane Brown, Vicki McConkey, Brian Long, Suzanne White, Diana Young, Bob Hiple, and President, Dennie Ripley. We considered ourselves fortunate to have a president such as he, for Dennie could always add an appropriate comment in assemblies.

Co-editing the Santa Lucian were Pat Kennon and Carolyn Duncan. Business manager, Ralph Wilson, always received full cooperation from his Assistant, Laura Albritton.

The colorful football season was new begin-

both nights with their musical routine, "Diamonds are a Girl's Best Friend". Mike Picano reigned as Stunt Night King. Typical of the firsts our class engaged in, was the Christmas Senior Party, Which gave us all a chance to do something together.

Basketball season was a fast and furious one. For the first time in many years, the school spirit came on strong, as the vibrant cheerleaders yelled . . . "sink it"! Spring sports, more than the cold, sloshy weather, were welcomed by sport enthusiasts. Once again the Key Club sponsored the Sweetheart Dance. Sweethearts were: Lettermen, Suzanne White; Letterwomen, Brian Long; SLC, Mike Picano; Keyettes, Virgil East; Interact, Corliss Mullins; Key Club; Marion French; Cheerleaders, Carroll Noone; Civinettes, Gene Smith; Anchor, Donnie Riordan.

Invitations, senior cards, caps and gowns were ordered for the final big event . . . GRADUATION. Within the short period of time left,

Alan McGee won first chair baritone at All State, as well as Jim Kautz.

The Glee Club, which had entertained us at assemblies, was busy selling tickets to their fireworks show, during the Sandy Shoes Festival.

The Science Fair was flooded with entries from industrious seniors.

As days quickly flowed away, we realized the immediate future held the production of Class Day, and traditional graduation within its grasp. We were now in the zenith of our senior year. The pages of our history are now filled. Each time we leaf through these pages, thoughts of those younger and tender years will return to give us a brief, pleasurable trip back into the past. We leave this institution now, but not without having left a part of our sorrows and joys to those classes which follow. The prophrecy of all graduating classes holds true—"nothing gold can stay."

CO-CAPTAINS

Co-captains, Marvin Kelly and Roy Shank led The 1963 Fighting Eagles to a winning season. They have shown a great degree of leadership both on and off the field of play. Each contributed to a fine team effort and came through with individual honors given at the Annual Football Banquet.

FOREST HILL VS. McCARTY

The 1963 "Fighting Eagles" started the season off with a bang defeating the Forest Hill "Falcons". The Eagles, underdogs of the game, came through with great strength and skill in turning the tables on the Falcons. The final score was McCarty 14-Forest Hill 0.

THE GOLDEN TOE

Bobo Melton, who earned the nickname of the "Golden Toe", contributed to the Eagle effort by adding fourteen conversion points, two of which determined victories for the Eagles, and one field goal.

LAKE WORTH VS. McCARTY

Another week of hard practice paid off for the Eagles in their second victory. Lake Worth's charging line and quick backfield were not enough to stop the "Fighting Eagles". Score-McCarty 14-Lake Worth-13.

RIVIERA VS. McCARTY

This week the Eagles traveled to Riviera Beach to invade a promising Hornet team, but promise was not enough. The Eagles again came out on top of the nest, literally pulling the stingers out of the Hornets. The final score was McCarty 28-Riviera 6.

MELBOURNE VS. McCARTY

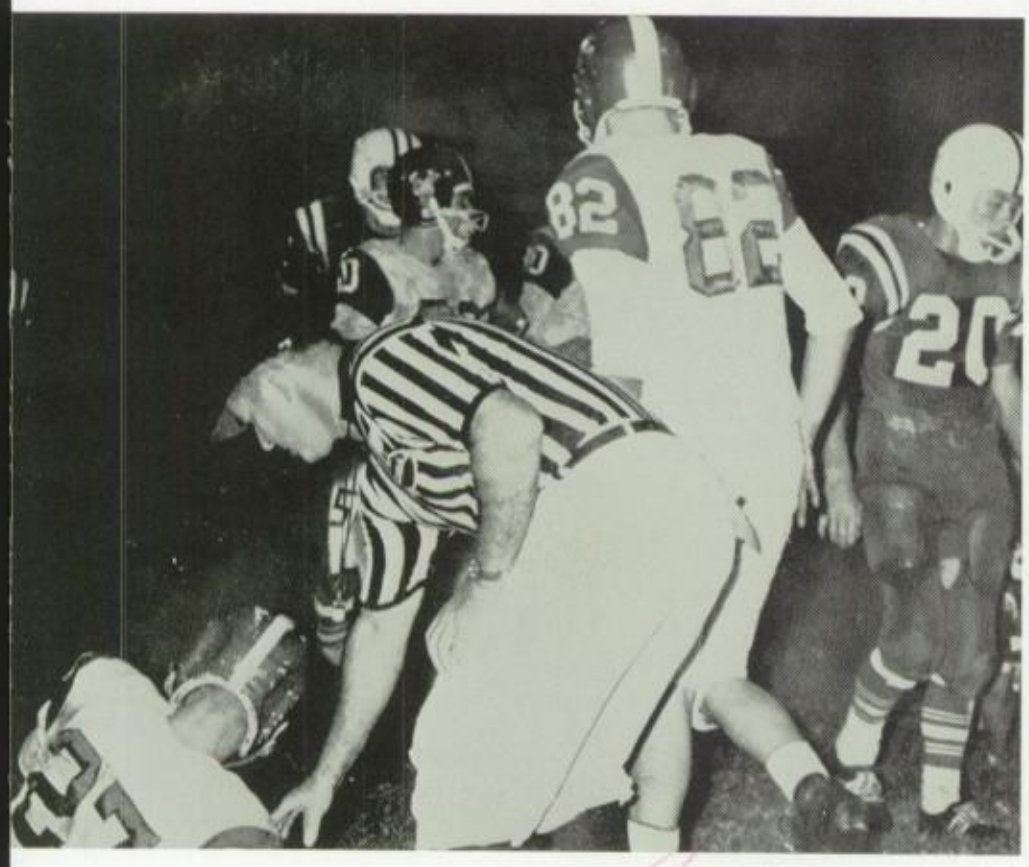
On top of the Suncoast Conference and with a state ranking in the top twenty, McCarty met the tough invading Bulldogs. They weren't good enough to stop the determined Eagle Team. For the second time in a row, the home crowd was on the edge of their seats while the team stayed calm and cool, turning in a 14-13 win over Melbourne.

STUART VS. McCARTY

For the third time in the season the Eagles established the fact that the game wasn't over until the final whistle had blown. Stuart dominated the game but the quick thinking and great team effort of the Eagles brought the Eagles out on top. Who will soon forget the final second, game-winning pass from Mike Picano to Roy Shank? Final score McCarty 11-Stuart 7.

SEACREST VS. McCARTY

This game later proved to be the deciding factor in the season for the Eagles. Going into the game, Seacrest and McCarty were both undefeated. It was a rough and hard-fought game, yet the Eagles were on the bottom as the final whistle blew with the score Seacrest 21-McCarty 13.



PALM BEACH VS. McCARTY

On the road, the Eagles returned to the Palm Beach area to take on the Wildcats of Palm Beach High. The Mighty Eagles tumbled again with a loss from the surprising Palm Beach Team. Score-McCarty 7-Palm Beach 13.

BELLE GLADE VS. McCARTY

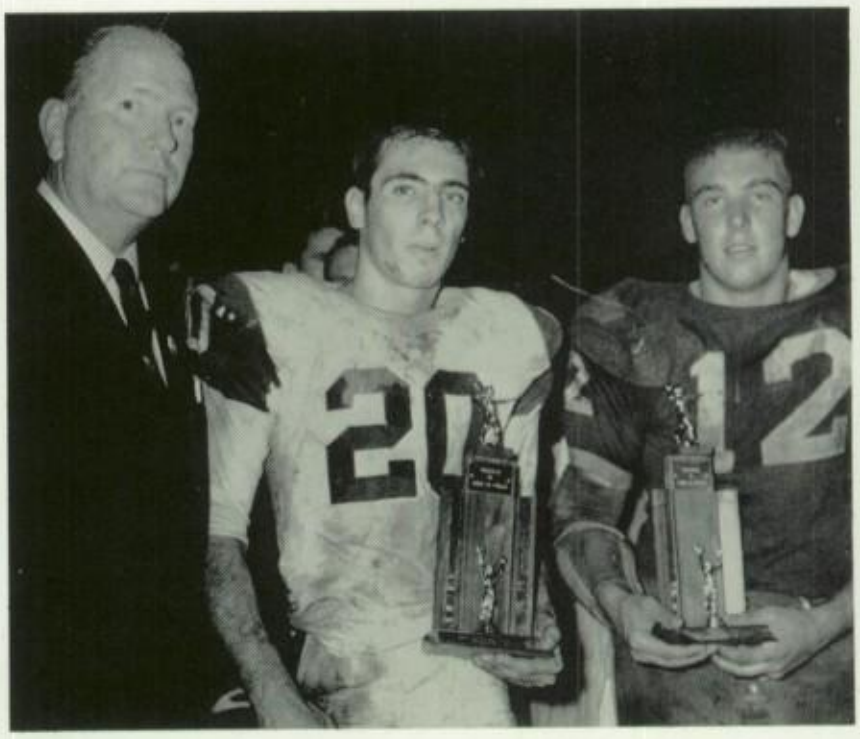
At home before a capacity crowd, the Eagles took on a challenging Belle Glade team. For the first time all season the Eagles had enough personnel to try the "two-platoon" system. Though playing a superb game, the Eagles were again on the bottom with the score Belle Glade 13-Eagles 7.

VERO BEACH VS. McCARTY

In the 38th annual meeting of the Dan McCarty Eagles and the Vero Beach Indians, an overflowing stadium watched the game with great interest. They saw a heavily outmanned Eagle team go down to a determined bunch of Indians. Unhappy McCarty fans read the final score-Vero Beach 33-Dan McCarty 9.

Having a winning season, the Eagles ended with a 5-4 record. Although the Eagles didn't finish with a perfect record we can be mighty proud of the determination and "never-say-die" attitude displayed by the Eagles all season.

Homecoming



MOST VALUABLE PLAYERS

For their outstanding performances in the final clash of the season, Mike Picano, a senior member of the Eagle team, along with Russ Gielow of Vero, were named Most Valuable Players of the game.

A note of sandness was injected into the excitement and activity of Homecoming as these 23 seniors suited up for their last game on the McCarty high gridiron.

The 1964 Eagle Golf Team teed off to a full season of eleven regular matches. Golf is a sport which requires many afternoons of hard practice and much patience on the part of the players. Both the boy's and the girl's team made a fine show this year.

Girl's Tennis Team

Tennis is a sport which takes a great deal of ability and coordination. Our tennis team has shown these qualities this past season and has produced a fine squad of able tennis players. This is a co-ed sport which gives the girls a chance to show their athletic ability and they have done this quite well. Tennis is also a sport in which individual effort as well as team-work must be shown. Nine times this year the tennis team has appeared in regular seasonal matches and each time they have made a commendable appearance.

Working closely with the faculty and administration, the student council is one of the most important organizations in the school, for it governs club meetings and activities as well as represents the student body. Some of their projects included Orientation Day, All School Parties, Annual Signing Party, conducting assemblies, and the Faculty Tea. This year the student Council was host for the District II Convention, with representatives from some 20 schools.

Boy's State

Attending Boy's State is an honor, a privilege, and a never-to-be-forgotten experience. It is one week of eighteen hour days filled with the study and practice of government at the city, county, and state level.

Each boy is given a Boy's State hat and two shirts and is assigned to either the Nationalist or Federalist political party when he arrives at Florida State University.

The campaigning begins when he arrives and continues until the final results from the last election are announced. Elections are held for city offices, then county, and last the grand finale-state elections.Any boy Boy Stater can tell you just how hectic that final election is. Party rallies, party skits, campaign planning, and sign painting sessions go until the wee hours.

Not only do the Boy Staters gain an understanding of government by practice, but they also hear talks for past Boy Staters and men who hold important government offices.

All too soon the short week of Boy's State is over, but the memories and friendships will last a lifetime.

Girl's State

One of the most rewarding and exciting experiences any Junior girl can have is to be chosen Girl State Representative by the American Legion Auxiliary. Girls from all over the state gather at Florida State University for a week packed with activity.

Girl Staters learn governmental procedures on the local, state, and national levels, by running their imaginary state, Seminole. Campaigning complete with speeches handshakes, and rallies begin the instant the girls learn their political party and continues till the very moment of voting for the all important state offices.

To be a member of the Girls State Senate or House of Representatives is an educational and thrilling experience. While working in the legislative chambers in the State Capital, the girls draw up and pass their own bills as well as speeches by dignitaries; other Girl State activities range from a tour of the Supreme Court to participation in Talent Night and the printing of a newspaper. All too soon the night of graduation arrives, yet the new friends and wonderful memories remain a lifetime.

Santa Lucian

Dan McCarty has been our own little world—a place of work, fun, friends, and tears. For the Class of 64 it has become a world of the past—now only a treasured memory.

Recording forever the activities and the events of the 1964 school year is our history book, the Santa Lucian. Though the years may cause memories of this year to dim, we can, by turning these pages, once again recall the laughter, dreams, and hopes of . . .

The Choral Department this year has an enrollment of 120 voices, divided into the Boy's Chorus of 25 voices, the Girl's Chorus of 95 voices, and the mixed Chorus, the two former groups combined.

A series of radio broadcasts was initiated by the Glee Club in which Station WIRA brought choral music and D.M.H.S. news to the community each six weeks.

The F.H.A. is a very active organization at Dan McCarty for high school girls interested in home economics. Selling postcards to earn money, they decorated both the faculty dinner and the campus at Christmas. Our F.H.A. was represented at the District Meeting in Kissimmee, the State Convention, and the Tampa Fair. Their talents in the kitchen were evident at the F.H.A. fish fry, College Career Night, and a Soroptomist Club meeting. Participating in Homecoming and Stunt Night, still the F.H.A. found time to plant petunias and to clothe the WIRA Christmas dolls.

Sigma Lambda Chi, oldest of the girls' service clubs in DMHS, consists of forty girls who are outstanding in Scholarship, Leadership, and Character. Again this year, SLC sponsored the annual Homecoming Parade before the Thanksgiving football game, and also furnished the Queen's float entitled "One Special Girl". SLC's trophy was presented to the Vero Beach Indians after the game. Welcoming the Sophs. to DMHS, selling spirit ribbons, ushering at football games, participating in Powderpuff, and presenting the "Best All Around Stunt" for Stunt Night are among a few of the many SLC projects. A joint service project with Keyettes for the year is backdrops for the stage. This year five SLC girls were Superlatives and seven were Seniors Who's Who.

The Interact Club was officially formed on April 29, 1963, Interact stands for international action. We are sponsored by our local Rotary Club. Interact is more international and is growing more than other high school service club organizations in the world.

Interact buys new flags, sells tickets at athletic events, makes morning announcements, sells concessions at baseball games, acts in intramural sports, enters a float in the annual Homecoming parade, helps in pre-school book distribution, and sells Eagle decals.

A sister club to the Key Club, the Keyette Club is comprised of girls excelling in scholarship, leadership, and character. Keyette girls hold many offices in school and receive many titles among the superlatives, Senior Who's Who, and other distinctions. The Homecoming Queen and the Queen of Stunt Night were Keyettes. Among our projects this year were decorating the lunchroom, sponsoring the annual Powderpuff Football Game, selling confetti at the football games, and helping the American Cancer Society. Also the Keyettes showed their school spirit by decorating for the Key Club Sweetheart Dance. We participated in Stunt Night and in the annual Homecoming parade with a float entitled, "Charms of Victory". We helped maintain school spirit by cheering the mighty "Eagles" on to victory with our large eagle through which they ran before each football game.

"As the years progress and we retrace our high school memories we will fondly dream of those days when we were young and were Keyettes."

"We build" is the motto of one of the most active, as well as, the oldest boys' clubs of Dan McCarty High School. The Key Club is an international service club comprised of, exactly as the name implies, the "Key" boys of the school.

A few of the many services for D.M.H.S. this year include: assisting the Eagle fans by sending buses to out-of-town football games, operating the press box and scoreboard at baseball games, and sponsoring the annual Sweetheart Dance which was even bigger and better this year.

The Key Club also contributes to the community through combined efforts with the Kiwanis in their annual Gas-O-Rama and their Christmas tree sale.

Civinettes is a service club composed of girls excelling in scholarship, leadership, and character. Required to do ten service projects a year, the Civinettes have donated the Christmas tree to the school, handed out programs and publicized basketball, given corsages for Teacher Appreciation Day and held Easter and Christmas parties for the children in the Exceptional Child Center.

Civinettes have sponsored a dance and entered a float in the Homecoming parade.

Profits from this year's money making projects will go for an initiation banquet and for sending delegates to state convention in Miami Beach.

The DMHS Jr. Civitan Club got its start in 1956. It is the youngest male service club in our school and is striving hard towards recognition. To become a member, one needs at least a 2,8 scholastic average, plus other satisfactory achievements such as character, leadership, and friendliness.

Like the other service clubs, the Jr. Civitans do such things as entering a float in Homecoming and other services to their school and community. This year we helped curb the school's parking lot. To earn money we sell Halloween candy and fruit cake, hold car washes, and do anything else that we might think lucrative.

The Anchor Club is sponsored by the Pilot Club and is a statewide as well as a nationwide organization. To be eligible one must maintain a "B" average, and must have qualities of leadership, scholarship, character, and service. Last year, among its many activities, the Anchor Club started something new, the selling of roses for Valentine's Day. Other activities included the building of a float for the Homecoming parade, titled "Eagles Away"; sponsoring "Smile Week", which is terminated by the big "Smile Dance". The Anchor Club of DMHS along with its sister club in St. Anastasia assist the Pilot Club each year with their famous Home Show. Along in December the Anchor Club also went to District Conference in Fort Lauderdale.

We have a lot of "yesterdays" that I'll never forget. (You won't either.) I won't mention the caper the names, but there was Dubon Terrace, Airport Road, Motel Rancho, 23rd Street, and probably many more. & yes, and Atlantic Avenue. Thanks for getting me started on cigarettes on Four Roses again.

On the serious side now, lots of luck and in anything you do. (in your search for happiness what I mean.) Well, haven't we Watch those "M.M." (You know had fun!
